

SparkOC.com is a joint project between Arts OC and the Orange County Community Foundation. This new Web site is designed to spark residents and visitors to increase their participation, experience and support of the arts, cultural events, venues and ticket information in Orange County.

Created as *the* online resource for everything arts in Orange County, SparkOC.com lists information on dance, music, theater, museums, film, literature, lectures, family events, classes, workshops and unique Orange County events.

SparkOC.com also features a weekly newsletter, *Spark-e!*, filled with half-price tickets, insider news and more. People wishing to subscribe can do so simply by registering on SparkOC.com.

See how just one spark can ignite the creativity in your life. At SparkOC.com. The happening place for arts happening in the O.C.
